# Frick Vet Services

“To provide the highest quality of care to your livestock and pets. All services offered with compassion and your animals are treated like part of the family.”

Frick Vet Services is owned and operated by Dr. Christina Frick. Dr. Frick has a full service mixed animal clinic for all your needs.

Dr. Frick is from Larned, KS, growing up on a farm south of Larned. Dr. Frick is a 1993 Larned High graduate. Dr. Frick has her Doctor of Veterinary Medicine degree from Kansas State University, Class of 2000. Frick Vet Services opened in Larned in Nov. 2002. Service area includes but not limited to Larned, Garfield, Rozel, Burdett, Pawnee Rock, Belpre, Lewis, Kinsley, Macksville, St. John & Stafford and all rural areas.

“The Clinic Greeter”

Dr. Frick raises cattle, & sheep. She has many cats and dogs of her own. She assists with her family’s farming and ranching operation. Dr. Frick is involved with the community as a Chamber member, many service clubs and the 4-H program.
